Dear Rev. Evans,

On behalf of UMOM New Day Centers, please accept our heartfelt thanks for your recent gift of hygiene items. Your support will help to change the life of a family at UMOM.

Your support is important to us as the need for programs, services, and resources for the homeless community continues to grow. We continue to work toward our goal of ensuring every family has a home, through our emergency, domestic violence, veterans and extended shelters, and our permanent housing options. As we help families achieve permanent housing, we continue to provide support services to ensure they do not return to homelessness or shelters. Your donation makes an impact by helping these families build a bridge to self-sufficiency.

The needs of children and low-income families in Arizona are significant and we are grateful for your support. We extend our sincerest appreciation for helping us work to end homelessness, one family at a time.

Sincerely,

Melissa Steimer
