CHILDREN'S MINISTRY NEWSLETTER

FALL/WINTER 2015

Hello to all the wonderful parents that have entrusted us with the spiritual education of your precious children.

BACK TO SCHOOL!!!

Now that school is in session for most of our children we will be opening up Wednesday night Bible Study service for homework sessions. If any child has unfinished homework they will have an opportunity to complete it in the Children's Ministry.

The teachers will give ample time for children to do homework with the following rules;

1. Not talking or playing during work time. We give them three warnings to stay on task/focus on their work. After which they will be asked to put homework away.
2. Usually we will give them the entire time we are in class, however if they finish before class is over we will do bible study and/or activities.

FALL/WINTER ACTIVITIES

- 'Tis the season for lots and lots of crafts. We will be doing lots of fall and winter crafts and projects, and will be in need of regular household items to use. We would ask that you don't throw them out before looking at the attached list of items you can donate to the children's Ministry.
 - We will begin this fall season with, "fall into the Arms of Jesus", beginning in September. Learning how to trust in Jesus in every area of our lives.
 - In October we will talk about Harvest Time. We will have bible lessons and activities to coincide with our themes.
- Please feel free to reinforce these principles at home.
- November and December we will talk about Thankfulness and The Birth of Jesus (respectfully). As we do every year we will have a presentation for Christmas. The children will begin rehearsing songs and a skit. Information to follow soon.
 - Lastly the Teen Ministry has included the Children's Ministry in their Annual Calendar and Greeting Card Fundraiser. We encourage you to support our fundraisers that allow us to have more classroom materials and take field trips throughout the year.

***Thank you to all of our parents for your dedication to your child/ren. It makes our service to them easier.*

In the Lords Service,

Minister Lonnie and Minister Nicole
