

LAMB OF GOD CHRISTIAN CENTER
LITTLE LAMBS CHILDREN'S MINISTRY NEWSLETTER
SUMMER 2016

Greetings to all!

We hope you and your families are off to a fantastic year thus far. We know that you are truly blessed.

Our Little Lambs are so AWESOME! They are learning and growing every day; speaking of growing we will bring in the April showers by studying God's Grace to understand what grace is and how it pertains to us. In May/June we will be focusing on honoring our Mothers and Fathers, as always, backing up everything with the Word of God.

We know that school will be over soon, and are excited to bring back our Vacation Bible School (VBS). We will keep our young ones' minds sharp by reinforcing what they already know and advancing them to the next grade level. The Bible says that He has given us the advantage; we want our "Little Lambers" to have that advantage in school.

We encourage Parents and Members to ask the children what they are learning in our classroom. It is our responsibility to equip our children with the Word of God and we want you to hold us to that great commission. We all share in the sowing of seed (God's Word) into our children.

Enjoy your summer vacations, safe travels, and blessings. Minister Nicole, Minister Lonnie and our volunteers always keep you and your families in our prayers. We humbly thank you for allowing us to serve You through the children.

In His Service,

Minister Lonnie and Minister Nicole
